HIGHER GROUND

gear for your laptop lifestyle

VERT 2.0 - for 13” and smaller laptops

The top loading Vert wraps your computer in a blanket of protection with a combination of shock absorbing padding and a corrugated plastic shell. The clever, lift tab facilitates easy laptop removal, and the unique Vert-Alert zipper pull reminds of an open computer compartment. A front pocket provides accessory and adapter storage, while the back accommodates papers and magazines. Add the ID window, reflective safety stripping and an integrated shoulder strap, and you have the perfect vertical laptop sleeve.
